

Exploring the GLOBE Web site: www.globe.gov

The screenshot shows the GLOBE Program website interface. At the top, there's a header with 'GLOBE Schools Log-in', 'News and Events', and 'The GLOBE Program' logo. A date stamp reads '2004 July 20 00:15 UT'. Below this is a 'How To Join GLOBE' button. The left sidebar contains several menu items: 'EDUCATION & SCIENCE' (Teacher's Guide, Protocols, Student Investigations, School Collaboration, Scientists' Corner, Educators' Corner), 'GLOBE DATA' (Data Entry, Maps and Graphs, Data Access), 'GLOBE PARTNERS' (Partners' Corner, Countries, Schools, U.S. Partners), 'LIBRARY' (Resource Room, GLOBE Stars, News and Events), and 'INFO & HELP' (Learn About GLOBE, Contact GLOBE, FAQs). The main content area features a 'News & Events' section with a '8th Annual GLOBE Conference' announcement. Below that is a 'GLOBE Student Data' section with a temperature map of Europe and a 'GLOBE ONE Students Take Action!' story. At the bottom, there's a 'Chief Scientist's Message: Scientists speak with GLOBE Egypt' section.

- **EDUCATION AND SCIENCE:** Student investigations and school collaborations, access to the online Teacher's Guide.
- **GLOBE DATA:** Access to student-collected data, mapping and graphing tools.
- **GLOBE PARTNERS:** Access to country/regional coordinator and school information.
- **LIBRARY:** Access to student, teacher and partner resources.
- **INFO & HELP:** Learn about GLOBE and Frequently Asked Questions (FAQs).
